

The Robert M. Parker Wine Cellar

The Robert M. Parker Wine Cellar is named in honor of the man often considered to be the world's foremost wine authority, a born and bred Baltimorean.

The Robert M. Parker Cellar is primarily focused on special, superb small production American wines, although we also have a broad selection of many very fine vintages from around the world. Our goal is to offer unique labels with which one may not ordinarily be familiar. In doing so, we endeavor to support those artisans who are striving to create exceptional wines.

Most, but not all, of our wines have been rated in the Wine Advocate by Mr. Parker and are so noted. There are simply too many wines to rate them all, however our sommeliers have carefully selected, tasted and approved each and every wine new to our list.

Upstairs at The Ivy offers our Parker 100 Cellar-an ever-growing list of wines rated 99-100 points.

“There are few things more enjoyable than a fine meal and a fine wine shared with friends and comrades who love to experience life as it is meant to be.”

Robert Parker

Although Mr. Parker is a frequent dinner guest at Magdalena he always pays full price. There is no financial remuneration or other relationship whatsoever between the parties. Mr. Parker has authorized us to use his name; we are the only restaurant or wine cellar in the world so permitted.
